OR2012-02083

Dear Ms. Benton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 445036 (Waco# LGL-11-1687).

The Waco Police Department (the "department") received a request for information pertaining to a specified report. You indicate some of the information was released. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.007 of the Family Code, which makes confidential juvenile law enforcement records relating to conduct by a child that occurred on or after September 1, 1997. Fam. Code § 58.007(c). Section 58.007 provides in part:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

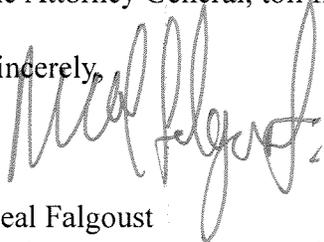

*Id.* § 58.007(c). We note, however, a child is defined for purposes of section 58.007 as a person who is ten years of age or older and younger than seventeen years of age. *Id.* § 51.02(2). Upon review, we find the offender named in the submitted report was seventeen years old at the time of the alleged offense. Accordingly, this report is not subject to section 58.007 of the Family Code, and no portion of it may be withheld on that basis. *See* Open Records Decision No. 478 at 2 (1987) (language of confidentiality statute controls scope of protection).

Section 552.130 of the Government Code excepts from disclosure information related to a motor vehicle title or registration issued by an agency of this state or another state or country. Gov't Code § 552.130(a)(2). Accordingly, the department must withhold the information you have marked under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,
