OR2012-02085

Dear Ms. Goetz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 445061.

The McAllen Independent School District (the “district”), which you represent, received a request for information. You claim the requested information is excepted from disclosure under sections 552.101, 552.102, 552.103, 552.107, 552.108, 552.114, 552.117, 552.130, and 552.135 of the Government Code.¹ We have considered the exceptions you claim.

We must address the district’s obligations under the Act. Section 552.301 of the Government Code prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(b) of the Government Code, a governmental body must ask for the attorney general’s decision and state the exceptions that apply within ten business days after receiving the request. *See* Gov’t Code § 552.301(b). Pursuant to section 552.301(e), a

¹Although you also raise section 552.026 of the Government Code as an exception to disclosure, section 552.026 is not an exception to disclosure. Rather, section 552.026 provides that the Act does not require the release of information contained in education records except in conformity with the Family Educational Rights and Privacy Act of 1974. Gov’t Code § 552.026.

governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) general written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e)(1)(A)-(D). As of this date, you have not submitted to this office arguments stating why any claimed exceptions apply to the information at issue, a copy of the written request, a signed statement or sufficient evidence showing the date the governmental body received the request, or a copy or representative sample of the information requested. Accordingly, we conclude the district failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to submit to this office the information required in section 552.301(e) results in the legal presumption the requested information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). Generally, a governmental body may demonstrate a compelling reason to withhold information by showing the information is made confidential by another source of law or affects third party interests. *See* Open Records Decision No. 630 (1994). Because you failed to comply with the requirements of the Act, the district has waived all of its claimed discretionary exceptions to disclosure. *See* Open Records Decision No. 665 at 2 n.5 (2000) (untimely request for decision results in waiver of discretionary exceptions). Although the district also raises mandatory exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information confidential by law. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information is confidential and may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
