

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

February 10, 2012

Mr. Rick Miller
County Attorney
Bell County
P.O. Box 1127
Belton, Texas 76513

OR2012-02142

Dear Mr. Miller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 447137.

The Bell County Attorney's Office (the "county attorney") received a request for information relating to a specified offense involving a named individual. You state some of the requested information either has been or will be released. You claim that the remaining requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information contains a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) of the Transportation Code states that except as provided by subsection (c) or (e), accident reports are privileged and for the confidential use of certain specified entities. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides two or more pieces of information specified by the statute. *Id.* In this instance, the requestor has provided the county attorney with the requisite pieces of information. You state that you have released some of the CR-3 report. Although you seek

to withhold part of this information, we note information that is specifically made public by statute may not be withheld from the public under any of the exceptions to public disclosure under the Act. *See, e.g.*, Open Records Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the county attorney must release the submitted CR-3 accident report in full pursuant to section 550.065(c)(4) of the Transportation Code.

We next address your claim under section 552.108 of the Government Code for the remaining information. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a pending criminal case. We note, however, the information at issue includes a DIC-24 statutory warning, a copy of which has been provided to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 form may not be withheld under section 552.108. We find that release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curium*, 536 S.W.2d 559 (Tex. 1976).

We note section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 form and basic information, the county attorney may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

Section 552.130 of the Government Code provides that information relating to a motor vehicle operator’s license or driver’s license issued by an agency of this state or another state or country is excepted from public release.¹ Gov’t Code § 552.130(a)(1). The county attorney must withhold the driver’s license number we have marked in the DIC-24 form.

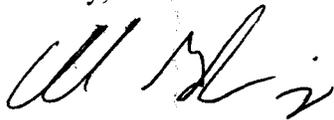

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

In summary, the county attorney must release the submitted CR-3 accident report pursuant to section 550.065(c)(4) of the Transportation Code. Except for the DIC-24 form and basic information, the county attorney may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code. The county attorney must withhold the driver's license number we marked in the DIC-24 form under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
