OR2012-02732

Dear Ms. Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 446086.

The City of Mesquite (the "city") received a request for certain inspection and response reports pertaining to a specified address. You claim portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 1702.284(a) of the Occupations Code, which provides:

Information contained in alarm systems records maintained by a governmental body that concerns the location of an alarm system, the name of the occupant of an alarm system location, or the type of alarm system used is confidential and may be disclosed only to the [Texas Private Security Board], to the alarm company to which the confidential records relate, or as otherwise required by state law or court order.

Occ. Code § 1702.284(a); *see also id.* § 1702.002(1)(A)(ii) (defining "alarm system" as electronic equipment and devices designed to detect or signal the occurrence of a robbery or other emergency). Upon review, we find the information we have marked consists of alarm

system information made confidential by section 1702.284. Accordingly, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 1702.284 of the Occupations Code. However, you have not demonstrated how any portion of the remaining information you have marked is either contained in alarm system records or concerns the location of an alarm system, the name of the occupant of an alarm system location, or the type of alarm system used. Accordingly, no portion of this information may be withheld under section 552.101 of the Government Code in conjunction with section 1702.284 of the Occupations Code. *See* Open Records Decision Nos. 658 at 4 (1998) (statutory confidentiality provision must be express, and confidentiality requirement will not be implied from statutory structure), 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). As you raise no other exceptions to disclosure of any of the remaining information, the city must release it.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
