Ms. Maria Guadalupe Martinez  
Assistant City Attorney  
City of El Paso

El Paso, Texas 79901

OR2012-02816

Dear Ms. Martinez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 450091.

The City of El Paso (the "city") received a request for information pertaining to a named employee. You state the city has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses section 1701.306 of the Occupations Code, which provides in relevant part:

(a) The [Texas Commission on Law Enforcement Officer Standards and Education] may not issue a license to a person as an officer or county jailer unless the person is examined by:

(1) a licensed psychologist or by a psychiatrist who declares in writing that the person is in satisfactory psychological and emotional health to serve as the type of officer for which a license is sought; and

(2) a licensed physician who declares in writing that the person does not show any trace of drug dependency or illegal drug use after a physical examination, blood test, or other medical test.

(b) An agency hiring a person for whom a license as an officer or county jailer is sought shall select the examining physician and the examining psychologist or psychiatrist. The agency shall prepare a report of each declaration required by Subsection (a) and shall maintain a copy of the report on file in a format readily accessible to the commission. A declaration is not public information.

Occ. Code § 1701.306(a), (b). The city must withhold the submitted L-2 Declaration of Medical Condition form under section 552.101 in conjunction with section 1701.306 of the Occupations Code.

Section 552.101 also encompasses the Medical Practice Act (the “MPA”), subtitle B of title 3 of the Occupations Code, which governs the public availability of medical records. *See* Occ. Code §§ 151.001-165.160. Section 159.002 of the MPA provides in part:

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient’s behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

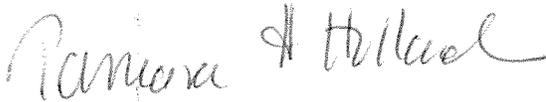

Occ. Code § 159.002(b)-(c). This office has concluded that the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). This office also has concluded that, when a file is created as the result of a hospital stay, all the documents in the file that relate to diagnosis and treatment constitute either physician-patient communications or records of the identity, diagnosis, evaluation, or treatment of a patient by a physician that are created or maintained by a physician. *See* Open Records Decision No. 546 (1990). Upon review, we find the remaining submitted information may only be released in accordance with the MPA.

In summary, the city must withhold the submitted L-2 Declaration of Medical Condition form under section 552.101 of the Government Code in conjunction with section 1701.306 of the Occupations Code. The remaining submitted information may only be released in accordance with the MPA.
