

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

February 28, 2012

Mr. Duncan Fox
Deputy General Counsel
Texas Department of Public Safety
P.O. Box 4087
Austin, Texas 78773-0001

OR2012-03011

Dear Mr. Fox:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 446730 (PIR # 11-3137).

The Texas Department of Public Safety (the "department") received a request for "any and all documentation, photographs, videotapes, audiotapes, field notes, narratives, 911 call recordings, interview notes, or any other item related to a collision that occurred on or about November 8, 2011, at approximately 6:35P.M., as investigated by [a named trooper] of the Texas Department of Public Safety, Midland." You claim that the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹ We have also received and considered comments submitted by the requestor. *See* Gov't Code § 552.304 (interested party may submit written comments regarding availability of requested information).

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information

¹We assume the "representative sample" of information submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than those submitted to this office.

at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information at issue pertains to a pending criminal investigation by the department. Based on your representation and our review, we conclude release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is generally applicable to the information at issue.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-7; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). We note basic information does not include motor vehicle record information encompassed by section 552.130 of the Government Code. *See* ORD 127 at 3-4. Thus, with the exception of basic information, which you state the department has released, the department may withhold the information at issue under section 552.108(a)(1) of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ²As our ruling is dispositive, we need not address your remaining arguments against disclosure.
