Dear Ms. Poppenhusen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 447351.

The City of Missouri City (the "city") received a request for information pertaining to a specified case. You claim the submitted information is excepted from disclosure pursuant to sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 261.201(a) of the Family Code provides as follows:

[T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information was used or developed in an investigation by the city's police department of alleged or suspected child abuse under chapter 261. *See id.* § 261.001(1)(E) (definition of child abuse includes aggravated sexual assault under Penal Code section 22.021); *see also* Penal Code § 22.011(c)(1) (defining "child" for purposes of Penal Code section 22.021 as person under 17 years of age). Thus, we find the submitted information is within the scope of section 261.201(a). You do not indicate the city's police department has adopted a rule governing the release of this type of information; therefore, we assume no such regulation exists. Given that assumption, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.<sup>1</sup> *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
