City Attorney  
City of Kingsville

OR2012-03550

Dear Ms. Alvarez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 447514 (City ID# 2011-378).

The City of Kingsville (the "city") received a request for information concerning an specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 773.091 of the Health and Safety Code, which provides in part:

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex,

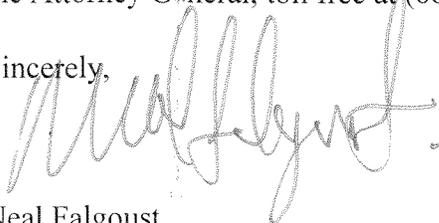

occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). Thus, except for the information specified in section 773.091(g), emergency medical services (“EMS”) records are deemed confidential under section 773.091 and, therefore, may only be released in accordance with chapter 773 of the Health and Safety Code. *See id.* §§ 773.091-.093. We note this information may be released to “any person who bears a written consent of the patient or other persons authorized to act on the patient’s behalf.” *Id.* § 773.092(e)(4). When the patient is deceased, the patient’s personal representative may consent to the release of the patient’s records. *Id.* § 773.093(a); *see also* Open Records Decision No. 632 (1995) (defining “personal representative” for purposes of section 773.093 of the Health and Safety Code). The consent must be in writing, signed by the patient, authorized representative, or personal representative, and specify (1) the information to be covered by the release; (2) the reasons or purposes for the release; and (3) the person to whom the information is to be released. Health & Safety Code § 773.093(a). You state the information pertains to an individual who is deceased. We note the requestor is identified in the records as the decedent’s next of kin. However, you state the requestor has not provided the required consent. Accordingly, with the exception of the information subject to section 773.091(g), the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code, unless the decedent’s personal representative provides the city with written consent that meets the requirements of section 773.093(a). *See id.* §§ 773.092, .093; ORD 632.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
