Mr. Charles H. Weir
Assistant City Attorney
City of San Antonio
P.O. Box 839966

OR2012-03783

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 452446 (COSA File No. W005745).

The City of San Antonio (the "city") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

We first note the submitted information contains a CR-3 accident report form subject to section 552.101 of the Government Code.¹ Section 552.101 excepts from disclosure information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes, such as section 550.065 of the Transportation Code. This section provides that, except as provided by subsection (c), accident reports are privileged and confidential. Transp. Code § 550.065(b). Section 550.065(c)(4) of the Transportation Code, however, requires the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person

¹ The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). In this instance, the requestor has not provided the city with the required information specified by the statute. Accordingly, the city must withhold the submitted CR-3 accident report form under section 552.101 in conjunction with section 550.065(b) of the Transportation Code.

You raise section 552.108 of the Government Code for the remaining information. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information pertains to a pending criminal investigation. Based on your representation and our review of the information, we conclude release of the information at issue would interfere with the detection, investigation, or prosecution of a crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court describes law enforcement interests that are present in active cases), *writ ref’d per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, section 552.108(a)(1) of the Government Code generally applies to the remaining information.

We note, however, the remaining information includes a DIC-24S statutory warning and a DIC-25S notice of suspension. The city provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24S and DIC-25S forms may not be withheld under section 552.108. In addition, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. Basic information must be released, even if it does not literally appear on the front page of the report. *See* Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Therefore, with the exception of the DIC-24S and DIC-25S forms and basic information, the city may withhold the remaining information under section 552.108(a)(1).

In summary, the city must withhold the CR-3 accident report form under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. With the exception of the DIC-24S and DIC-25S forms and basic information, which must be released, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
