Dear Mr. Alicie:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 452860.

The Baytown Police Department (the "department") received a request for a specified report. You indicate social security numbers will be redacted from the responsive records pursuant to section 552.147 of the Government Code.¹ You claim other responsive information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the information you submitted.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. You claim section 552.101 in conjunction with common-law privacy, which protects information that is highly intimate or embarrassing, such that its release would be highly objectionable to a person of ordinary sensibilities, and of no legitimate public interest. *See Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both elements of the test must be established. *See id.* at 681-82. Common-law privacy encompasses the specific types of information held to be intimate or embarrassing in *Industrial Foundation*. *See id.* at 683 (information relating to sexual assault, pregnancy, mental or physical abuse in workplace, illegitimate children, psychiatric treatment of mental disorders, attempted suicide, and injuries to sexual organs). This office has determined other types of information also are private under section 552.101. *See generally* Open Records Decision No. 659 at 4-5 (1999) (summarizing information attorney general has held to be private). We agree the department

¹We note section 552.147(b) authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act.

must withhold the arrested person's medical information you have marked under section 552.101 of the Government Code in conjunction with common-law privacy.

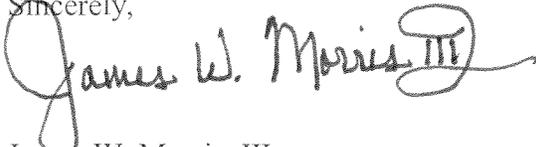

Section 552.130 of the Government Code excepts from disclosure information related to a motor vehicle title or registration issued an agency of this state or another state or country. *See* Gov't Code § 552.130(a)(2). We agree the department must withhold the motor vehicle information you have marked under section 552.130 of the Government Code.²

In summary, the department must withhold (1) the marked medical information under section 552.101 of the Government Code in conjunction with common-law privacy and (2) the marked motor vehicle information under section 552.130 of the Government Code. The rest of the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

James W. Morris, III
