March 27, 2012

Mr. Ronald J. Bounds
Assistant City Attorney
City of Corpus Christi
P.O. Box 9277
Corpus Christi, Texas 78469-9277

OR2012-04500

Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 449123 (ORR# 35).

The City of Corpus Christi (the "city") received a request for information pertaining to a specified incident. You state the city is withholding information subject to section 552.117 of the Government Code as permitted by section 552.024(c) of the Government Code.¹ You state the city is releasing some of the requested information. You claim some of the submitted information is excepted from disclosure under sections 552.101 and 552.102 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by statute,

¹Section 552.117 of the Government Code excepts from disclosure the home addresses and telephone numbers, emergency contact information, social security numbers, and family member information of current or former officials or employees of a governmental body. See Gov't Code § 552.117(a)(1). Section 552.024 of the Government Code authorizes a governmental body to withhold information subject to section 552.117 without requesting a decision from this office if the current or former employee or official chooses not to allow public access to the information. See *id.* § 552.024(c).

which governs release of medical records. *See* Occ. Code §§ 151.001-165.160. Section 159.002 of the MPA provides, in relevant part:

(a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Id. § 159.002(a)-(c). This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). Information subject to the MPA includes both medical records and information obtained from those medical records. *See* Occ. Code §§ 159.002, .004; Open Records Decision No. 598 (1991). We have further found when a file is created as a result of a hospital stay, all the documents in the file referring to diagnosis and treatment constitute physician-patient communications or “[r]ecords of the identity, diagnosis, evaluation, or treatment of a patient by a physician that are created or maintained by a physician.” Open Records Decision No. 546 (1990).

Upon review, we agree the information you have marked constitutes records of the identity, diagnosis, evaluation, or treatment of a patient by a physician that were created or are maintained by a physician. Accordingly, the marked medical records must be withheld under section 552.101 of the Government Code in conjunction with the MPA, unless the city receives written consent for release of those records that complies with sections 159.004 and 159.005 of the MPA.

Section 552.102(a) of the Government Code excepts from disclosure “information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.” Gov’t Code § 552.102(a). The Texas Supreme Court held section 552.102(a) excepts from disclosure the dates of birth of state employees in the payroll database of the Texas Comptroller of Public Accounts. *Tex. Comptroller of Pub. Accounts v. Attorney Gen. of Tex.*, 354 S.W.3d 336 (Tex. Dec. 3, 2010). Upon review, we agree the

city must withhold the dates of birth you have marked under section 552.102(a) of the Government Code.

In summary, the city must withhold the medical records you marked under section 552.101 of the Government Code in conjunction with the MPA, unless the city receives written consent for release of those records that complies with sections 159.004 and 159.005 of the MPA. The city must also withhold the dates of birth you have marked under section 552.102(a) of the Government Code. The remaining information must be released.
