

ATTORNEY GENERAL OF TEXAS

Mr. Art Pertile, III

OR2012-04502

Dear Mr. Pertile:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 448687 (Stafford Ref. No. COS12-001).

The City of Stafford (the “city”), which you represent, received a request for a specified police report. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You provide a letter from an assistant district attorney for the Fort Bend County District Attorney’s Office (the “district attorney’s office”) asserting the specified report pertains to a criminal prosecution that is pending with the district attorney’s office. Based on this representation and our review, we conclude release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975)

(court delineates law enforcement interests that are present in active cases), *writ ref'd per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find section 552.108(a)(1) is applicable to the submitted information.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88. This information includes, but is not limited to, a sufficient portion of the narrative to encompass a detailed description of the offense. See Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). We note basic information does not include motor vehicle record information encompassed by section 552.130 of the Government Code. See Gov’t Code § 552.130. Therefore, with the exception of basic information, which must be released, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free at (888) 672-6787.

Sincerely,

Michelle R. Garza  
Assistant Attorney General
