OR2012-04534

Dear Ms. Badillo:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 449033.

The San Angelo Independent School District (the "district"), which you represent, received two requests for a named individual's school records. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office that the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. § 1232g, does not permit state and local educational authorities to disclose to this office, without parental consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and, therefore, does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

the Act.² Consequently, state and local educational authorities that receive a request for education records from a member of the public under the Act must not submit education records to this office in unredacted form, that is, in a form in which “personally identifiable information” is disclosed. *See* 34 C.F.R. § 99.3 (defining “personally identifiable information”). In this instance, you have submitted redacted and unredacted education records for our review. *See* Open Records Decision No. 224 (1979) (student’s handwritten comments protected under FERPA because they would make identity of student easily traceable through handwriting, style of expression, or particular incidents related in comments). Because our office is prohibited from reviewing these records to determine whether appropriate redactions under FERPA have been made, we will not address the applicability of FERPA to any of the submitted information, other than to note parents and their legal representatives have a right of access to their own child’s education records and their right of access prevails over a claim under section 552.103 of the Government Code. *See* 20 U.S.C. § 1232g(a)(1)(A); 34 C.F.R. § 99.3; Open Records Decision No. 431 (1985) (information subject to right of access under FERPA may not be withheld pursuant to statutory predecessor to Gov’t Code § 552.103); *see also* *Equal Employment Opportunity Comm’n v. City of Orange, Tex.*, 905 F. Supp. 381, 382 (E.D. Tex. 1995) (holding FERPA prevails over inconsistent provision of state law). Such determinations under FERPA must be made by the educational authority in possession of the education records.³ We will, however, address the applicability of the district’s section 552.103 claim to the extent the parents of the student at issue do not have a right of access to the submitted information under FERPA.

Section 552.103 of the Government Code provides, in relevant part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person’s office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated

²A copy of this letter may be found on the Office of the Attorney General’s website: <http://www.oag.state.tx.us/open/20060725usdoe.pdf>.

³In the future, if the district does obtain parental or an adult student’s consent to submit unredacted education records and the district seeks a ruling from this office on the proper redaction of those education records in compliance with FERPA, we will rule accordingly.

on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The governmental body has the burden of providing relevant facts and documents to show that the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation is pending or reasonably anticipated on the date the governmental body received the request for information and (2) the information at issue is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, no pet.); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

You inform us, and provide documentation showing, that the district received the requests for information after a lawsuit styled *Whitney K. Gibson v. San Angelo Independent School District*, Civil Action No. 6:11-CV-081-C, was filed in the United States District Court for the Northern District of Texas, San Angelo Division. Based on your representations and our review, we find litigation involving the district was pending when it received the requests. You also inform us that the submitted information is related to the subject matter of this pending litigation. Based on your representations and our review, we agree this information is related to the pending litigation for purposes of section 552.103. Accordingly, to the extent the district determines that the requestors do not have a right of access to the submitted information pursuant to FERPA, the district may withhold this information under section 552.103 of the Government Code.

However, we note the purpose of section 552.103 is to enable a governmental body to protect its position in litigation by forcing parties to obtain information relating to litigation through discovery procedures. *See* ORD 551 at 4-5. Therefore, once the information at issue has been obtained by all parties to the litigation through discovery or otherwise, a section 552.103(a) interest no longer exists as to that information. *See* Open Records Decision Nos. 349 (1982), 320 (1982). We also note the applicability of section 552.103(a) ends once the litigation has concluded. *See* Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public

information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free at (888) 672-6787.

Sincerely,
