

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

March 30, 2012

Ms. Shannon C. Francis
Assistant County Attorney
Williamson County
405 Martin Luther King Street, Box 7
Georgetown, Texas 78626

OR2012-04644

Dear Ms. Francis:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 449376.

The Williamson County Human Resources Department (the "county") received a request for the name, address, telephone number, and e-mail address for all employees of the Williamson County Sheriff's Office (the "sheriff's office") who have a payroll deduction for the sheriff's office association. You claim that the requested information is excepted from disclosure under sections 552.101, 552.117, and 552.1175 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information if it (1) contains highly intimate or embarrassing facts, the publication of which would be highly objectionable to a reasonable person, and (2) is not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be established. *Id.* at 681-82.

This office has found that personal financial information not relating to a financial transaction between an individual and a governmental body is generally protected by common-law privacy. *See* Open Records Decision Nos. 600 (1992) (employee's designation of retirement beneficiary, choice of insurance carrier, election of optional coverages, direct deposit authorization, forms allowing employee to allocate pretax compensation to group insurance, health care or dependent care), 545 (1990) (deferred compensation information, participation in voluntary investment program, election of optional insurance coverage, mortgage payments, assets, bills, and credit history). Upon review, we find the submitted information is highly intimate or embarrassing and not of legitimate public concern. Therefore, the county must withhold the submitted information pursuant to section 552.101 of the Government Code in conjunction with common-law privacy. As our ruling is dispositive, we do not address your remaining claims.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Cindy Nettles
