

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

April 6, 2012

Mr. Bill Delmore
Assistant District Attorney
Montgomery County District Attorney's Office
207 West Phillips, 2nd Floor
Conroe, Texas 77301-2824

OR2012-04984

Dear Mr. Delmore:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 450190.

The Montgomery County District Attorney's Office (the "district attorney's office") received a request for the State's file related to a specified cause number and named individual. You claim the requested information is excepted from disclosure under sections 552.101, 552.108, and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 261.201(a) of the Family Code, which provides:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information was used or developed in an investigation of alleged or suspected child abuse under chapter 261 of the Family Code, so as to fall within the scope of section 261.201(a). *See id.* § 261.001(1) (defining “abuse” for purposes of ch. 261); *see also id.* § 101.003(a) (defining “child” as a person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes). As you do not indicate the district attorney’s office has adopted a rule that governs the release of this type of information, we assume no such rule exists. Given this assumption, we conclude that the submitted information is subject to section 261.201 of the Family Code. *See Open Records Decision No. 440 at 2 (1986) (predecessor statute).* Accordingly, the district attorney’s office must withhold the requested information from disclosure in its entirety under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Benjamin A. Bellomy

² As our ruling is dispositive, we do not address your remaining arguments against disclosure.
