Mr. David Kemp
First Assistant County Attorney
Potter County Attorney's Office

OR2012-05151

Dear Mr. Kemp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 450278.

The Potter County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified incident. You state the sheriff's office has released some of the submitted information to the requestor. You indicate the sheriff's office has redacted a driver's license number pursuant to section 552.130(c) of the Government Code.¹ You claim the remaining submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental

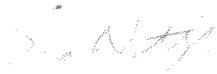

¹The Texas legislature amended section 552.130 of the Government Code effective September 1, 2011, to allow a governmental body to redact the information described in subsections 552.130(a)(1) and (a)(3) without the necessity of seeking a decision from the attorney general. See Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). See *id.* § 552.130(d), (e).

body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining submitted information relates to a criminal investigation that is inactive pending new information. You indicate the case may be reopened as information is developed. Further, we note that the statute of limitations has not run. Based on your representations and our review, we conclude the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, we find the sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
