

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

April 11, 2012

Ms. Karen Stead
Assistant City Attorney
City of Tyler
P.O. Box 2039
Tyler, Texas 75710

OR2012-05215

Dear Ms. Stead:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 452536 (ORR# TAS-858360).

The Tyler Police Department (the "department") received a request for four specified offense reports. You state the department released three of the reports, but claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." This section encompasses information protected by other statutes. Section 261.201(a) of the Family Code provides as follows:

[T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under

this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information was used or developed in an investigation under chapter 261. *See id.* §§ 101.003(a) (defining “child” for purposes of section 261.201), 261.001(1) (defining “abuse” for purposes of section 261.201). Thus, we conclude the information is within the scope of section 261.201 of the Family Code. You do not indicate the department has adopted a rule that governs the release of this type of information. Therefore, we assume no such rule exists. Given that assumption, the requested documents are confidential pursuant to section 261.201 of the Family Code. *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute). Accordingly, the department must withhold these documents from disclosure under section 552.101 of the Government Code as information made confidential by law.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
