Ms. Linda Pemberton

P.O. Box 1329

OR2012-05218

Dear Ms. Pemberton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 454697 (W007562).

The Killeen Police Department (the "department") received a request for information pertaining to case number A11-001963.¹ You state some information has been released to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."² Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes, including chapter 550 of the Transportation Code. We note the submitted information includes a CR-3 crash report

¹You state "video is unavailable due to a retrieval error." We note the Act does not require a governmental body to release information that did not exist when it received a request or create responsive information. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 555 at 1 (1990), 452 at 3 (1986), 362 at 2 (1983).

²The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

form that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) of the Transportation Code provides, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *See id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three items of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *See id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has not provided the department with two of the required pieces of information. Thus, the department must withhold the CR-3 form under section 552.101 in conjunction with section 550.065(b).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov't Code § 552.108(a)(1). A governmental body that claims an exception to disclosure under section 552.108 must reasonably explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to a pending prosecution and the County Attorney's Office objects to the release of the remaining information. Based upon your representations and our review, we find section 552.108(a)(1) is applicable to the remaining information. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). We note, however, the information at issue includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The department provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 and DIC-25 forms and basic information, the department may withhold the submitted information under section 552.108(a)(1).

Finally, section 552.130 provides that information relating to a motor vehicle operator's license or driver's license issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130(a)(1). The department must withhold the driver's license number in the DIC-24 and DIC-25 forms under section 552.130.

In summary, the department must withhold the submitted CR-3 accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. Except for the arrestee's driver's license number, which the department must withhold under section 552.130 of the Government Code, the DIC-24 and DIC-25 forms must be released. Except for basic information, the department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
