Dear Ms. Monteros:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 456370 (No. CA – OP-12-141).

The El Paso Medical Examiner's Office (the "medical examiner") received a request for information pertaining to a named decedent. You state some of the requested information either has been or will be released. You claim the rest of the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information other statutes make confidential. Section 11 of article 49.25 of the Code of Criminal Procedure provides as follows:

The medical examiner shall keep full and complete records properly indexed, giving the name if known of every person whose death is investigated, the place where the body was found, the date, the cause and manner of death, and shall issue a death certificate. . . . The records are subject to required public disclosure in accordance with Chapter 552, Government Code, except that a photograph or x-ray of a body taken during an autopsy is excepted from

required public disclosure in accordance with Chapter 552, Government Code, but is subject to disclosure:

- (1) under a subpoena or authority of other law; or
- (2) if the photograph or x-ray is of the body of a person who died while in the custody of law enforcement.

Crim. Proc. Code art. 49.25, § 11. You inform us the remaining information at issue consists of autopsy photographs. You state the statutory exceptions to confidentiality are not applicable in this instance. Based on your representations and our review, we conclude the medical examiner must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 11 of article 49.25 of the Code of Criminal Procedure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
