Assistant City Attorney
City of Mesquite

OR2012-06058

Dear Ms. Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 451876.

The Mesquite Police Department (the "department") received a request for "all video camera tapes or audio recordings made at the location of [a specified] accident." You state the audio recordings will be released to the requestor. You claim that portions of the submitted video recording are excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes, such as section 143.090 of the Local Government Code. You state the City of Garland is a civil service city under chapter 143 of the Local Government Code. Section 143.090 provides as follows:

A department, [the Fire Fighters' and Police Officers' Civil Service Commission], or municipality may not release a photograph that depicts a police officer unless:

- (1) the officer has been charged with an offense by indictment or by information;
- (2) the officer is a party in a civil service hearing or a case before a hearing examiner or in arbitration;
- (3) the photograph is introduced as evidence in a judicial proceeding;
or
- (4) the officer gives written consent to the release of the photograph.

Local Gov't Code § 143.090. You seek to withhold portions of the submitted video recording depicting a department police officer. However, the legislative history for section 143.090 indicates the Legislature did not intend to extend the statute's protection to video recordings. Hearings on H.B. 2006 Before the House Comm. on Urban Affairs, 82nd Leg., R.S. (March 30, 2011) (bill's author, Rep. Bonnen, explained statute's protection limited to photographs and does not protect video). Accordingly, we conclude that no portion of the video recording may be withheld under section 552.101 in conjunction with section 143.090 of the Local Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title, or registration issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130. We find the department must withhold the portions of the submitted video recording that depict discernible license plate numbers, which we have indicated, under section 552.130 of the Government Code.

In summary, the department must withhold the portions of the submitted video recording that depict discernible license plate numbers, which we have indicated, under section 552.130 of the Government Code. The remaining portions of the submitted video recording must be released.
