

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

April 27, 2012

Mr. Marc Allen Connelly  
Deputy General Counsel  
Texas Department of State Health Services  
P.O. Box 149347  
Austin, Texas 78714-9347

OR2012-06090

Dear Mr. Connelly:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 452060 (DSHS File: 19928/2012).

The Texas Department of State Health Services (the "department") received a request for the Third Trimester Induced Abortion Certification Forms for a specified period. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

As you acknowledge, the department failed to comply with the Act's procedural requirements in asking this office for a ruling. *See* Gov't Code § 552.301. Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the information is public and must be released. Information presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); Open Records Decision No. 630 (1994). A compelling reason exists when third-party interests are at stake or when information is confidential under other law. Open Records Decision No. 150 (1977). Your claim under section 552.101 can provide a compelling reason for non-disclosure; therefore, we will consider the applicability of this exception.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses the Texas Abortion Facility Reporting and Licensing Act, chapter 245 of the Health and Safety Code. Section 245.011(d) provides:

Except as provided by Section 245.023, all information and records held by the department under [chapter 245 of the Health and Safety Code] are confidential and are not open records for the purposes of [the Act]. That information may not be released or made public on subpoena or otherwise, except that release may be made:

- (1) for statistical purposes, but only if a person, patient, or abortion facility is not identified;
- (2) with the consent of each person, patient, and abortion facility identified in the information released;
- (3) to medical personnel, appropriate state agencies, or county and district courts to enforce this chapter; or
- (4) to appropriate state licensing boards to enforce state licensing laws.

Health & Safety Code § 245.011(d). Section 245.023 of the Health and Safety Code provides in part:

(a) The department on request shall make the following information available to the public:

- (1) the status of the license of any abortion facility;
- (2) the date of the last inspection of the facility, any violation discovered during that inspection that would pose a health risk to a patient at the facility, any challenge raised by the facility to the allegation that there was a violation, and any corrective action that is acceptable to the department and that is being undertaken by the facility with respect to the violation; and
- (3) an administrative or civil penalty imposed against the facility or a physician who provides services at the facility, professional discipline imposed against a physician who provides services at the facility, and any criminal conviction of the facility or a physician who provides services at the facility that is relevant to services provided at the facility.

...

(e) This section does not authorize the release of the name, address, or phone number of any employee or patient of an abortion facility or of a physician who provides services at an abortion facility.

*Id.* § 245.023(a), (e). You state the submitted information pertaining to abortion facilities is governed by chapter 245 of the Health and Safety Code. We understand the current request does not fall within the four types of disclosure permitted under section 245.011(d) and the information is not subject to section 245.023. Accordingly, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 245.011 of the Health and Safety Code. As our ruling is dispositive, we do not address your remaining arguments.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
