OR2012-06101

Dear Ms. Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 452318.

The Mesquite Police Department (the "department") received a request for audio and video recordings related to the requestor's arrest and subsequent detention. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes, such as section 143.090 of the Local Government Code. You state the City of Mesquite is a civil service city under chapter 143 of the Local Government Code. Section 143.090 provides as follows:

A department, [the Fire Fighters' and Police Officers' Civil Service Commission], or municipality may not release a photograph that depicts a police officer unless:

- (1) the officer has been charged with an offense by indictment or by information;

- (2) the officer is a party in a civil service hearing or a case before a hearing examiner or in arbitration;
- (3) the photograph is introduced as evidence in a judicial proceeding;  
or
- (4) the officer gives written consent to the release of the photograph.

Local Gov't Code § 143.090. You state the submitted video recordings contain visual images of department officers. However, the legislative history for section 143.090 indicates the legislature did not intend to extend the statute's protection to video recordings. Hearings on H.B. 2006 Before the House Comm. on Urban Affairs, 82nd Leg., R.S. (March 30, 2011) (bill's author, Rep. Bonnen, explained statute's protection limited to photographs and does not protect video). Accordingly, we conclude no portion of the video recordings may be withheld under section 552.101 in conjunction with section 143.090 of the Local Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or country is excepted from public release.<sup>1</sup> Gov't Code § 552.130. The department must withhold the driver's license number we have indicated on the DVD labeled "Certified Copy #522" under section 552.130 of the Government Code. As you raise no further exceptions to disclosure, the remaining information must be released.<sup>2</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and

<sup>2</sup>We note the information being released includes the requestor's driver's license number and motor vehicle record information, which the department would be required to withhold from the general public under section 552.130 of the Government Code. Because section 552.130 protects personal privacy, the requestor has a right of access to his own driver's license number and motor vehicle record information under section 552.023 of the Government Code. *See* Gov't Code § 552.023(a); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning himself). Therefore, if the department receives another request for this information from a different requestor, it should again seek a ruling from this office.
