Mr. Mark G. Mann
Assistant City Attorney
City of Garland
P.O. Box 469002
Garland, Texas 75046-9002

OR2012-06703

Dear Mr. Mann:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 456740 (GCA 12-0241).

The City of Garland (the "city") received a request for work attendance records of a named fire fighter during a specified time period. You claim the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential. You raise section 552.101 in conjunction with section 143.089 of the Local Government Code. You state the city is a civil service city under chapter 143 of the Local Government Code. Section 143.089 provides for the existence of two different types of personnel files relating to a fire fighter: one that must be maintained as part of the fire fighter's civil service file and another the fire department may maintain for its own internal use. *See* Local Gov't Code § 143.089(a), (g). The fire fighter's civil service file must contain certain specified items, including commendations, periodic evaluations by the fire fighter's supervisor, and documents relating to any misconduct in which the department took disciplinary action against the fire fighter under chapter 143 of the Local Government Code. *Id.* § 143.089(a)(1)-(2). Chapter 143 prescribes the following types of disciplinary actions: removal, suspension, demotion, and uncompensated duty. *Id.* §§ 143.051-.055. In cases in

which a fire department investigates a fire fighter's misconduct and takes disciplinary action against a fire fighter, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the fire fighter's civil service file maintained under section 143.089(a). *See Abbott v. Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App.—Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are "from the employing department" when they are held by or are in the possession of the department because of its investigation into a fire fighter's misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Such records may not be withheld under section 552.101 of the Government Code in conjunction with section 143.089 of the Local Government Code. *See* Local Gov't Code § 143.089(f); Open Records Decision No. 562 at 6 (1990). However, information maintained in a fire department's internal file pursuant to section 143.089(g) is confidential and must not be released. *City of San Antonio v. Tex. Attorney Gen.*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied).

You state the submitted information is contained within the department's internal files maintained pursuant to section 143.089(g) of the Local Government Code. Based on your representation and our review, we find the submitted information is confidential under section 143.089(g) of the Local Government Code and must be withheld from disclosure under section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
