

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

Ms. Donna L. Clarke  
Assistant Criminal District Attorney  
Lubbock County  
P.O. Box 10536  
Lubbock, Texas 79408-3536

OR2012-06752

Dear Ms. Clarke:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 456895.

The Lubbock County Medical Examiner’s Office (the “medical examiner’s office”) received a request for the autopsy and toxicology reports pertaining to a named individual. You state the requested autopsy report did not exist at the time the request was received.<sup>1</sup> You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We must address the procedural obligations of the medical examiner’s office under the Act. Section 552.301 describes the procedural obligations placed on a governmental body that receives a written request for information it wishes to withhold. Pursuant to section 552.301(b), the governmental body must ask for the attorney general’s decision and state the exceptions that apply within ten business days after receiving the request. *See Gov’t Code § 552.301(a), (b)*. In addition, pursuant to section 552.301(e) of the Government Code,

---

<sup>1</sup>The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

a governmental body is required to submit to this office within fifteen business days of receiving an open records request: (1) general written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e)(1)(A)-(D).

In this instance, you state the medical examiner's office received the present request for information on February 29, 2012. Accordingly, the ten-business-day deadline was March 14, 2012 and the fifteen-business-day deadline was March 21, 2012. However, you did not request a ruling from this office or submit the information at issue until April 16, 2012. Consequently, we find the medical examiner's office failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the requirements of section 552.301 results in the legal presumption the requested information is public and must be released unless a compelling reason exists to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision No. 630 (1994). This statutory presumption can generally be overcome when information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3 (1994), 325 at 2 (1982).

The medical examiner's office claims section 552.108 of the Government Code, which is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See* Gov't Code § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to Gov't Code § 552.108 subject to waiver). Nevertheless, the interests under section 552.108 of a governmental body other than the one that failed to comply with section 552.301 can provide a compelling reason for non-disclosure under section 552.302. *See* Open Records Decision No. 586 at 2-3 (1991). You inform us the Lubbock County Criminal District Attorney's Office (the "district attorney's office") asserts a law enforcement interest in the information at issue. Therefore, we will determine whether the medical examiner's office may withhold the submitted information on behalf of the district attorney's office under section 552.108.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection,

investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

You state the district attorney’s office objects to release of the submitted information because its release would interfere with an ongoing criminal investigation and pending prosecution. Based on your representation, we conclude the medical examiner’s office may withhold the submitted information on behalf of the district attorney’s office under section 552.108(a)(1) of the Government Code. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
