

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

May 9, 2012

Mr. Stephen A. Cumbie  
Assistant City Attorney  
City of Fort Worth  
1000 Throckmorton, Third Floor  
Fort Worth, Texas 76102

OR2012-06870

Dear Mr. Cumbie:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 453600 (Fort Worth PIR No. W015039).

The City of Fort Worth (the "city") received a request for a copy of the city police department's policies related to narcotics investigations. You state you have released most of the requested information. You claim portions of the submitted information are excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(b)(1) of the Government Code excepts from disclosure "[a]n internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution . . . if . . . release of the internal record or notation would interfere with law enforcement or prosecution[.]" Gov't Code § 552.108(b)(1). Section 552.108(b)(1) is intended to protect "information which, if released, would permit private citizens to anticipate weaknesses in a police department, avoid detection, jeopardize officer safety, and generally undermine police efforts to effectuate the laws of this State." *City of Fort Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002, no writ). To demonstrate the applicability of this exception, a governmental body must meet its burden of explaining how and why release of the requested information would interfere with law enforcement and crime prevention. Open Records Decision No. 562 at 10 (1990). This office has concluded section 552.108(b) excepts from public disclosure information relating to the security or operation of a law enforcement agency. *See, e.g.*, Open Records Decision Nos. 531 (1989) (release of detailed use of force guidelines would unduly interfere

with law enforcement), 252 (1980) (section 552.108 designed to protect investigative techniques and procedures used in law enforcement), 143 (1976) (disclosure of specific operations or specialized equipment directly related to investigation or detection of crime may be excepted). Section 552.108(b)(1) is not applicable, however, to generally known policies and procedures. *See, e.g.*, ORDs 531 at 2-3 (Penal Code provisions, common law rules, and constitutional limitations on use of force not protected), 252 at 3 (governmental body failed to indicate why investigative procedures and techniques requested were any different from those commonly known).

You state portions of the submitted information contain information which, if released, would threaten officer safety and interfere with law enforcement or prosecution. You explain release of the information at issue would jeopardize officer safety by assisting criminals in the detection of undercover officers. You further explain release of the information at issue would reduce the effectiveness of specified law enforcement procedures. Based on your arguments and our review of the information at issue, we find release of the information at issue would interfere with law enforcement. Accordingly, the city may withhold the information you have marked under section 552.108(b)(1).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Charles Galindo Jr.  
Assistant Attorney General
