Mr. Grant D. Blaies  
For Palo Pinto County

777 Main Street, Suite 1900  
Fort Worth, Texas 76102

OR2012-07250

Dear Mr. Blaies:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 453795.

The Palo Pinto County Sheriff's Office (the "sheriff's office"), which you represent, received a request for any information related to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.103 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides, in relevant part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated

on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The governmental body has the burden of providing relevant facts and documents to show that the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation is pending or reasonably anticipated on the date the governmental body received the request for information and (2) the information at issue is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, no pet.); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

You inform us, and provide documentation showing, the sheriff's office received the request for information after a lawsuit styled *Thompson v. Sheriff Ira A. Mercer*, Civ. Action No. 4:12-CV-0099-Y, was filed in the United States District Court for the Northern District of Texas, Fort Worth Division. Based upon your representations and our review, we find litigation involving the sheriff's office was pending when it received the request. You state the submitted information is related to the pending litigation. Based on your representation and our review, we agree this information is related to the pending litigation for purposes of section 552.103. Accordingly, the sheriff's office may withhold the submitted information under section 552.103 of the Government Code.<sup>1</sup>

We note the purpose of section 552.103 is to enable a governmental body to protect its position in litigation by forcing parties to obtain information relating to litigation through discovery procedures. *See* ORD 551 at 4-5. Therefore, once the information at issue has been obtained by all parties to the litigation through discovery or otherwise, a section 552.103(a) interest no longer exists as to that information. *See* Open Records Decision Nos. 349 (1982), 320 (1982). We also note the applicability of section 552.103(a) ends once the litigation has concluded. *See* Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. <sup>1</sup>As our ruling is dispositive, we need not address your remaining argument against disclosure.
