Dear Ms. Henry:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 454088 (ORR #SALA022912).

The Plano Police Department (the "department") received a request for information pertaining to a specified automobile accident. You state you have released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130(a)(2) of the Government Code provides that information relating to a motor vehicle title or registration issued by a Texas agency, or an agency of another state or country, is excepted from public release. *See* Gov't Code § 552.130(a)(2). Upon review, we find the submitted video recording, including the audio portion of the recording, contains motor vehicle record information that is subject to section 552.130(a)(2). The audio portion of this recording is intertwined with the video portion of the recording. You inform us that the department does not have the technological capability to redact the motor vehicle record information at issue from the recording. Accordingly, the department must withhold the submitted video recording in its entirety under section 552.130(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
