Ms. Ashley D. Fourt
Assistant District Attorney
Tarrant County

OR2012-08168

Dear Ms. Fourt:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 455045.

The Tarrant County Medical Examiner's Office (the "medical examiner's office") received a request for a specified autopsy report. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the medical examiner's office obligations under the Act. Pursuant to section 552.301(b) of the Government Code, a governmental body must ask for the attorney general's decision and state the exceptions that apply within ten business days after receiving the request. *See Gov't Code* § 552.301(b). Additionally, under section 552.301(e), a governmental body receiving an open records request for information that it wishes to withhold pursuant to one of the exceptions to public disclosure is required to submit to this office within fifteen business days of receiving the request (1) general written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). In this instance, although you state "the request is stamped ("certified") with the date of receipt[,]"

we note the request for information bears no date-stamp. Furthermore, you do not state when you received the instant request. Thus, you have failed to provide sufficient evidence of the date on which the medical examiner's office received the request. Consequently, we find the medical examiner's office failed to comply with the procedural requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the requirements of section 552.301 results in the legal presumption the requested information is public and must be released unless a compelling reason exists to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision No. 630 (1994). This statutory presumption can generally be overcome when information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3 (1994), 325 at 2 (1982). The medical examiner's office claims section 552.108 of the Government Code, which is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See* Gov't Code § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to Gov't Code § 552.108 subject to waiver). Nevertheless, the interests under section 552.108 of a governmental body other than the one that failed to comply with section 552.301 can provide a compelling reason for non-disclosure under section 552.302. *See* Open Records Decision No. 586 at 2-3 (1991). You inform us the Fort Worth Police Department (the "department") asserts a law enforcement interest in the information at issue. Therefore, we will determine whether the medical examiner's office may withhold the submitted information on behalf of the department under section 552.108.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state, and provide an affidavit from the department confirming, the department objects to release of the submitted information because its release would interfere with an ongoing criminal investigation. Based on your representation and the submitted affidavit, we conclude the medical examiner's office may withhold the submitted information on behalf of the department under section 552.108(a)(1) of the Government Code. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
