Re: Request for all video/audio from police officers' in-car dashcams involved in a high speed chase that ended abruptly overnight Friday when the man on the run ran out of gas. A yellow Yamaha motorcycle was committing a traffic violation headed westbound on the George Bush turnpike around midnight. When the officer tried to stop the bike, the rider took off at high speed, took several exits and made a few u-turns to escape officers, but he was unable to get away. The chase then headed south on Interstate 35E through Carrollton and Farmers Branch before it ended in North Dallas (Ref#55492)
