

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

June 1, 2012

Mr. Charles H. Weir  
Assistant City Attorney  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78283

OR2012-08418

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 455646 (COSA File No. W006420).

The City of San Antonio (the "city") received a request for a specified offense report. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the common-law right of privacy, which protects information if it (1) contains highly intimate or embarrassing facts, the publication of which would be highly objectionable to a reasonable person, and (2) is not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be established. *Id.* at 681-82. The type of information considered intimate or embarrassing by the Texas Supreme Court in *Industrial Foundation* included information relating to sexual assault, pregnancy, mental or physical abuse in the workplace, illegitimate children, psychiatric treatment of mental disorders, attempted suicide, and injuries to sexual organs. *Id.* at 683. This office has found that some kinds of medical information or information indicating disabilities or specific illnesses are excepted from required public disclosure under common-law privacy. See Open Records Decision Nos. 470 (1987) (illness from severe emotional and job-related stress), 455 (1987) (prescription drugs, illnesses, operations, and physical handicaps).

In certain instances, where it is demonstrated that the requestor knows the identity of the individual involved, as well as the nature of certain incidents, the entire report must be withheld to protect the individual's privacy. In this instance, although you seek to withhold the submitted information in its entirety, you have not demonstrated, nor does it otherwise appear, this is a situation in which the information must be withheld in its entirety on the basis of common-law privacy. However, we note portions of the submitted information are highly intimate or embarrassing and of no legitimate public concern. Therefore, the city must withhold the information we have marked under section 552.101 in conjunction with common-law privacy.

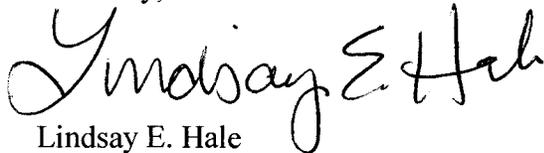

We note portions of the remaining information are subject to section 552.130 of the Government Code.<sup>1</sup> Section 552.130 provides information relating to a motor vehicle operator's or driver's license or permit issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a)(1). We find the city must withhold the information we have marked under section 552.130 of the Government Code.

In summary, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy and under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Lindsay E. Hale  
Assistant Attorney General
