Ms. Brandy Barrett

OR2012-08551

Dear Ms. Barrett:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 459530.

The Westworth Village Police Department (the "department") received a request for the probable cause affidavit pertaining to a specified arrest. You claim that the requested information is excepted from disclosure under sections 552.103 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note that the submitted information includes the test results of an arrestee's blood alcohol count. Full information concerning the analysis of the specimen must be made available upon the request of the person who has given the specimen at the request of a peace officer. Transp. Code § 724.018. Here, the requestor is the attorney of the individual who submitted the specimen. Although you seek to withhold this information under sections 552.103 and 552.108 of the Government Code, statutes governing the release of specific information prevail over the general exceptions to disclosure found in the Act. *See* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under the Act). Thus, the department must release the blood alcohol test results to this requestor pursuant to section 724.018 of the Transportation Code.

Section 552.108 of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the

detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

You have provided a letter from the Tarrant County District Attorney’s Office stating that the submitted information relates to a pending prosecution and release of the information at issue could interfere with the prosecution of the case. Based upon these representations and our review, we find release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the department may withhold the remaining information from disclosure under section 552.108(a)(1) of the Government Code.

In summary, the department must release the blood alcohol test results pursuant to section 724.018 of the Transportation Code. The department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
