Ms. Amy L. Sims
Assistant City Attorney
City of Lubbock
P.O. Box 2000
Lubbock, Texas 79408-2000

OR2012-08745

Dear Ms. Sims:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 456040.

The City of Lubbock (the "city") received a request for all records from the city's animal control department related to a specified address and time period. You claim portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 826.0311 of the Health and Safety Code, which states in relevant part:

- (a) Information that is contained in a municipal or county registry of dogs and cats under Section 826.031 that identifies or tends to identify the owner or an address, telephone number, or other personally identifying information of the owner of the registered dog or cat is confidential and not subject to disclosure under Chapter 552, Government Code. The information contained in the

registry may not include the social security number or the driver's license number of the owner of the registered animal.

(b) The information may be disclosed only to a governmental entity or a person that, under a contract with a governmental entity, provides animal control services or animal registration services for the governmental entity for purposes related to the protection of public health and safety. A governmental entity or person that receives the information must maintain the confidentiality of the information, may not disclose the information under Chapter 552, Government Code, and may not use the information for a purpose that does not directly relate to the protection of public health and safety.

Health & Safety Code § 826.0311(a), (b). Section 826.0311 applies only to the actual pet registry; it does not apply to the contents of other records, even though those documents may contain the same information as the pet registry. *See* Open Records Decision No. 658 at 4 (1998) (statutory confidentiality provision must be express, and confidentiality requirement will not be implied from statutory structure). You state the information related to the dog owner was obtained from the city's pet registry. However, you have not explained how the submitted complaint reports are part of the city's actual pet registry. Therefore, you have failed to demonstrate how the information at issue is confidential under section 826.0311(a). Accordingly, no portion of the responsive information may be withheld under section 552.101 on that basis.

Section 552.101 of the Government Code also encompasses the informer's privilege, which has long been recognized by Texas courts. *E.g.*, *Aguilar v. State*, 444 S.W.2d 935, 937 (Tex. Crim. App. 1969); *Hawthorne v. State*, 10 S.W.2d 724, 725 (Tex. Crim. App. 1928). The informer's privilege protects from disclosure the identities of persons who report activities over which the governmental body has criminal or quasi-criminal law-enforcement authority, provided the subject of the information does not already know the informer's identity. *See* Open Records Decision No. 208 at 1-2 (1978). The informer's privilege protects the identities of individuals who report violations of statutes to the police or similar law-enforcement agencies, as well as those who report violations of statutes with civil or criminal penalties to "administrative officials having a duty of inspection or of law enforcement within their particular spheres." Open Records Decision No. 279 at 1-2 (1981) (citing 8 John H. Wigmore, *Evidence in Trials at Common Law*, § 2374, at 767 (J. McNaughton rev. ed. 1961)). The report must be of a violation of a criminal or civil statute. *See* Open Records Decision Nos. 582 at 2 (1990), 515 at 4 (1988). The privilege excepts the informer's statement only to the extent necessary to protect that informer's identity. Open Records Decision No. 549 at 5 (1990).

You seek to withhold the identities of individuals who reported possible violations of the city's code of ordinances to the city's animal control department, which you state has the

authority to enforce the violations at issue. We understand a violation of the city code would result in a civil or criminal penalty and potential fine to the owner of the animal. Based on your representations and our review, we conclude the city may withhold the identity of the informers, which we have marked, under section 552.101 of the Government Code in conjunction with the common-law informer's privilege. The remaining information you have marked does not identify an informer, and may not be withheld under section 552.101 in conjunction with the informer's privilege. Accordingly, the city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
