Assistant City Attorney
City of Fort Worth

OR2012-08927

Dear Ms. Kretz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 460143 (W017022).

The City of Fort Worth (the "city") received a request for a specified offense report. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information other statutes make confidential, such as section 58.007 of the Family Code. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997 are confidential under section 58.007. For purposes of section 58.007(c), "child" means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See* Fam. Code § 51.02(2). Section 58.007 provides in pertinent part as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

...

(j) Before a child or a child's parent or guardian may inspect or copy a record or file concerning the child under Subsection (e), the custodian of the record or file shall redact:

(1) any personally identifiable information about a juvenile suspect, offender, victim, or witness who is not the child[.]

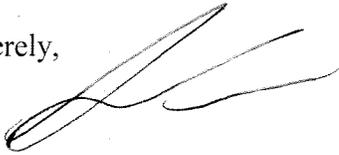

Id. § 58.007(c), (e), (j)(1). Upon review, we agree the submitted report involves juveniles engaged in delinquent conduct occurring after September 1, 1997; therefore, the submitted report is subject to section 58.007. We note, however, the requestor is one of the juvenile offenders listed in the report. Therefore, city may not withhold the submitted report pursuant to section 58.007(c) from this requestor. *See id.* § 58.007(e). However, personally identifiable information concerning any other juvenile suspects, offenders, victims, or witnesses must be redacted pursuant to section 58.007(j)(1). *See id.* § 58.007(j)(1). Accordingly, the city must redact the personally identifiable information concerning the other juvenile offenders we marked under section 552.101 in conjunction with section 58.007(j)(1). *See id.* The remaining information does not identify another juvenile suspect, offender, victim, or witness. Consequently, none of the remaining information may

be withheld under section 552.101 in conjunction with section 58.007(j)(1). Accordingly, the remaining information must be released to this requestor.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
