

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

June 11, 2012

Mr. Charles H. Weir  
Assistant City Attorney  
City of San Antonio  
PO Box 839966  
San Antonio, Texas 78283

OR2012-08933

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 460258 (COSA File No. W007424).

The City of San Antonio (the "city") received a request for a specified police report. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Initially, we note that the information you seek to withhold includes intoxilyzer results. Section 724.018 of the Transportation Code provides that, on the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. Transp. Code § 724.018. Although you raise section 552.108 of the Government Code for this information, the exceptions to disclosure found in the Act generally do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). In this instance, the requestor is the person who provided the breath specimen at the request of a peace officer. Therefore, the submitted intoxilyzer results must be released to this requestor pursuant to section 724.018 of the Transportation Code.

You raise section 552.108 of the Government Code for the remaining information. Section 552.108(a)(1) excepts from disclosure "[i]nformation held by a law enforcement agency or

prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information pertains to a pending criminal investigation. Based on your representation and our review of the information, we conclude release of the remaining information would interfere with the detection, investigation, or prosecution of a crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court describes law enforcement interests that are present in active cases), *writ ref’d per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, section 552.108(a)(1) of the Government Code generally applies to the remaining information.

We note, however, the remaining information includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The city provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108. In addition, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. Basic information must be released, even if it does not literally appear on the front page of the report. *See* Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Therefore, with the exception of the DIC-24 and DIC-25 forms and basic information, the city may withhold the remaining information under section 552.108(a)(1).

In summary, the city must release the intoxilyzer results to this requester pursuant to section 724.018 of the Transportation Code. With the exception of the DIC-24 and DIC-25 forms and basic information, which must also be released, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
