Mr. B. Chase Griffith
Attorney for Town of Flower Mound

OR2012-09011

Dear Mr. Griffith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 460323.

The (the "City of Flower Mound"), which you represent, received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.108 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses section 560.003 of the Government Code, which provides "[a] biometric identifier in the possession of a governmental body is exempt from disclosure under [the Act]." *Id.* § 560.003; *see id.* § 560.001(1) ("biometric identifier" means retina or iris scan, fingerprint, voiceprint, or record of hand or face geometry). Section 560.002 provides, however, that "[a] governmental body that possesses a biometric identifier of an individual ... may not sell, lease, or otherwise disclose the biometric identifier to another person unless ... the individual consents to the disclosure[.]" *Id.* § 560.002(1)(A). Thus, the requestor has a right of access to his own fingerprint under section 560.002(1)(A). *See* Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning himself). Although you assert this information is excepted from disclosure under section 552.108 of the Government Code, a statutory right

General Opinion DM-146 at 3 (1992); *see also* Open Records Decision Nos. 613 at 4 (1993) (exceptions to Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under the Act). Therefore, the town must release the submitted fingerprints to this requestor under section 560.002 of the Government Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information pertains to a pending criminal case. Based on your representation and our review of the information, we conclude release of the information at issue would interfere with the detection, investigation, or prosecution of a crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court describes law enforcement interests that are present in active cases), *writ ref’d per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, section 552.108(a)(1) of the Government Code generally applies to the submitted information.

We note, however, the submitted information includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The city provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108. In addition, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. Basic information must be released, even if it does not literally appear on the front page of the report. *See* Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Therefore, with the exception of the DIC-24 and DIC-25 forms and basic information, the city may withhold the submitted information under section 552.108(a)(1).

We note the DIC-24 and DIC-25 forms contain the arrestee’s driver’s license number. Section 552.130 excepts from disclosure information that relates to a motor vehicle operator’s or driver’s license, title, or registration, issued by an agency of this state or another state or country. Gov’t Code § 552.130(a)(1)-(2). The city must withhold the arrestee’s driver’s license number, which we have marked, under section 552.130 in the DIC-24 and DIC-25 forms.

In summary, with the exception of the DIC-24 and DIC-25 forms and basic information, the city may withhold the submitted information under section 552.108(a)(1) of the Government Code. The city must withhold the information we have marked in the DIC-24 and DIC-25 forms under section 552.130 of the Government Code. Basic information and the remaining information in the DIC-24 and DIC-25 forms must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
