OR2012-09049

Dear Ms. Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 460338.

The Mesquite Police Department (the "department") received a request for five categories of information pertaining to a specified incident report. You claim portions of the submitted information are excepted from disclosure under sections 552.101, 552.130, 552.136, and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Criminal history record information ("CHRI") generated by the National Crime Information Center or by the Texas Crime Information Center is confidential under federal and state law. Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 at 7 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* Section 411.083 of the Government Code deems confidential CHRI the Texas Department of Public Safety ("DPS") maintains, except DPS may disseminate this information as provided in chapter 411, subchapter F of the Government Code. *See* Gov't Code § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are

entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Similarly, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411, subchapter F. Upon review, we find the department must withhold the information you have marked under section 552.101 of the Government Code in conjunction section 411.083 of the Government Code.

Section 552.101 of the Government Code also encompasses section 560.003 of the Government Code, which provides “[a] biometric identifier in the possession of a governmental body is exempt from disclosure under [the Act].” *Id.* § 560.003; *see id.* § 560.001(1) (“biometric identifier” means retina or iris scan, fingerprint, voiceprint, or record of hand or face geometry). There is no indication the requestor has a right of access to the fingerprint at issue under section 560.002. *See id.* § 560.002(1)(A) (governmental body may not sell, lease, or otherwise disclose individual’s biometric identifier to another person unless the individual consents to disclosure). Therefore, the department must withhold the fingerprint we have marked under section 552.101 of the Government Code in conjunction with section 560.003 of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s or driver’s license or permit issued by an agency of this state or another state or country is excepted from public release. *Id.* § 552.130. Accordingly, the department must withhold the information you have marked under section 552.130 of the Government Code.

Section 552.136 of the Government Code states “[n]otwithstanding any other provision of this chapter, a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.” *Id.* § 552.136. Section 552.136(a) defines “access device” as “a card, plate, code, account number, personal identification number, electronic serial number, mobile identification number, or other telecommunications service, equipment, or instrument identifier or means of account access that alone or in conjunction with another access device may be used to . . . obtain money, goods, services, or another thing of value [or] initiate a transfer of funds other than a transfer originated solely by paper instrument.” *Id.* § 552.136(a). We note check numbers are not access device numbers for purposes of section 552.136. Thus, the department may not withhold the check numbers you have marked under section 552.136. Accordingly, with the exception of the check numbers you have marked, the department must withhold the information you have marked under section 552.136 of the Government Code.

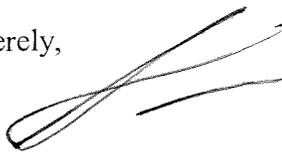

Finally, you assert some of the submitted information is excepted under section 552.147 of the Government Code. Section 552.147(a) provides, “[t]he social security number of a living person is excepted from” required public disclosure under the Act. *Id.* § 552.147(a). The submitted information does not contain any social security numbers. Therefore, the department may not withhold any information on that ground.

In summary, the department must withhold (1) the information you have marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code; (2) the fingerprint we have marked under section 552.101 of the Government Code in conjunction with section 560.003 of the Government Code; (3) the information you have marked under section 552.130 of the Government Code; and (4) except for the check numbers you have marked that must be released, the information you have marked under section 552.136 of the Government Code. The remaining information must be released.

You ask this office to issue a previous determination that would permit the department to withhold all CHRI the department obtains from criminal history searches under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code, without the necessity of requesting a decision from this office. We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
