

ATTORNEY GENERAL OF TEXAS

Ms. Lillian Guillen Graham  
Assistant City Attorney  
City of Mesquite  
P.O. Box 850137

OR2012-09178

Dear Ms. Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 456231.

The Mesquite Police Department (the "department") received a request for specified dash cam video and audio recordings. You state you have released the requested audio recordings. You state you will redact license plate numbers subject to section 552.130 of the Government Code in accordance with Open Records Decision No. 684 (2009).<sup>1</sup> You claim that portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes, such as section 143.090 of the Local Government Code. You state that the City of Mesquite is a civil service city under chapter 143 of the Local Government Code. Section 143.090 provides as follows:

A department, [the Fire Fighters' and Police Officers' Civil Service Commission], or municipality may not release a photograph that depicts a police officer unless:

---

<sup>1</sup>Open Records Decision No. 684 is a previous determination to all governmental bodies authorizing them to withhold specific categories of information without the necessity of requesting an attorney general decision, including a Texas license plate number under section 552.130 of the Government Code.

- (1) the officer has been charged with an offense by indictment or by information;
- (2) the officer is a party in a civil service hearing or a case before a hearing examiner or in arbitration;
- (3) the photograph is introduced as evidence in a judicial proceeding;  
or
- (4) the officer gives written consent to the release of the photograph.

Local Gov't Code § 143.090. You state the submitted video recordings contain visual images of department police officers. However, the legislative history for section 143.090 indicates the legislature did not intend to extend the statute's protection to video recordings. Hearings on H.B. 2006 Before the House Comm. on Urban Affairs, 82nd Leg., R.S. (March 30, 2011) (bill's author, Rep. Bonnen, explained statute's protection limited to photographs and does not protect video). Accordingly, no portion of the submitted video recordings may be withheld under section 552.101 on this basis. As you raise no further exceptions against disclosure, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Vanessa Burgess
