Dear Ms. Villarreal-Reyna:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 456489 (TDI# 126448).

The Texas Department of Insurance (the "department") received a request for the networks to which workers' compensation insurance carriers belong. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted representative sample of information.²

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 405.004 of the Labor Code. Section 405.004 provides in relevant part:

¹We note, in your letter dated April 23, 2012, you withdrew your assertions under section 552.111 of the Government Code.

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and, therefore, does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

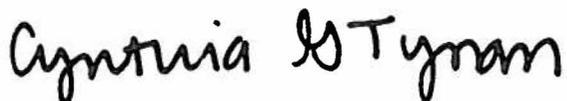

(e) A working paper, including all documentary or other information, prepared or maintained by the [worker's compensation research and evaluation group (the "group")] in performing the group's duties under this chapter or other law to conduct an evaluation and prepare a report is excepted from the public disclosure requirements of Section 552.021, Government Code.

Labor Code § 405.004(e). You state the requested information is a working paper prepared and maintained by the group to conduct an evaluation of workers' compensation claims and prepare the report card at issue. You also state the group performed these duties under the statutory authority of chapter 405 of the Labor Code. Based on your representations and our review, we find the requested information is confidential under section 405.004(e) of the Labor Code and must be withheld under section 552.101 of the Government Code.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
