Ms. Cheryl K. Byles  
Assistant City Attorney  
City of Fort Worth  
1000 Throckmorton Street  
Fort Worth, Texas 76102

OR2012-09381

Dear Ms. Byles:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 456457 (PIR No. W015980).

The City of Fort Worth (the "city") received a request for a specified police report. You have marked for redaction motor vehicle information in accordance with section 552.130(c) and previous determinations issued to the city and social security numbers in accordance with section 552.147 of the Government Code.<sup>1</sup> You claim the submitted information is excepted from disclosure pursuant to section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as

---

<sup>1</sup>Section 552.130(c) permits a governmental body to redact the information described in subsections 552.130(a)(1) and (a)(3) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Open Records Letter Nos. 2007-00198 (2007) and 2006-14726 (2006) are previous determinations authorizing the city to withhold certain information subject to section 552.130(a)(2) of the Government Code without the necessity of requesting an attorney general decision. In addition, section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act. Gov't Code § 552.147(b).

section 58.007 of the Family Code. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997, are confidential under section 58.007(c), which reads as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). For purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age. *See id.* § 51.02(2). The information at issue involves delinquent conduct that occurred after September 1, 1997. *See id.* § 51.03 (defining “delinquent conduct” for purposes of Fam. Code § 58.007). However, we are unable to determine the ages of the offenders at issue. Thus, we must rule conditionally. It does not appear any of the exceptions in section 58.007 apply to the submitted information. Thus, to the extent the submitted information constitutes a record of a juvenile engaged in delinquent conduct who was ten years of age or older and under seventeen years of age at the time of the commission of the crime, the submitted information is confidential pursuant to section 58.007(c) of the Family Code and must be withheld from this requestor under section 552.101 of the Government Code. However, to the extent this information does not pertain to a suspect who is ten years of age or older and under seventeen years of age at the time of the commission of the crime, the city may not withhold it under section 552.101 on the basis of section 58.007. In that instance, as you raise no further exceptions to disclosure, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
