Ms. Neera Chatterjee
Office of General Counsel
The University of Texas System

OR2012-09481

Dear Ms. Chatterjee:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 461254 (OGC# 144025).

The University of Texas at Arlington (the "university") received a request for two specified incident reports. You state the university is releasing most of the requested information. You claim the remaining requested information is excepted from disclosure under sections 552.101, 552.130, and 552.136 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision[,]" and encompasses information made confidential by statute. Gov't Code § 552.101. The submitted information consists of CR-3 accident report forms. Section 550.065(b) of the Transportation Code states that except as provided by subsection (c), accident reports are privileged and confidential. *See* Transp. Code § 550.065. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* §550.065(c)(4). The requestor has not provided the university with two of the three requisite pieces of information specified by the statute. Accordingly, the university must withhold the submitted CR-3 accident report forms under

section 552.101 of the Government Code in conjunction with 550.065(b) of the Transportation Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
