OR2012-09728

Dear Ms Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 457189.

The Mesquite Police Department (the "department") received a request for a specific arrest report. You claim that portions of the submitted information are excepted from disclosure under sections 552.101, 552.130, and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note you seek to withhold an FBI number under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code. In Open Records Letter No. 2012-07334 (2012), this office issued a previous determination authorizing the department to withhold FBI numbers under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code without the need of requesting a ruling from this office when requests for such numbers are not made by individuals or entities who are authorized to obtain them under chapter 411 of the Government Code. *See Gov't Code § 552.301(a); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code).* Accordingly, the department must withhold the marked FBI number in accordance with the previous determination issued to the department in Open Records Letter No. 2012-07334.

Section 552.130 of the Government Code provides, in relevant part:

(a) Information is excepted from the requirements of Section 552.021 if the information relates to:

- (1) a motor vehicle operator's or driver's license or permit issued by an agency of this state or another state or country;
- (2) a motor vehicle title or registration issued by an agency of this state or another state or country; or
- (3) a personal identification document issued by an agency of this state or another state or country or a local agency authorized to issue an identification document.

Gov't Code § 552.130. Upon review, we agree the department must withhold the driver's license and license plate numbers you have marked under section 552.130 of the Government Code. However, you have also marked a number under section 552.130 identified in the documents as "SID" and "State ID Number." This number does not consist of information relating to a personal identification document issued by a Texas agency, or an agency of another state or country or a local agency authorized to issue an identification document for purposes of section 552.130, and it may not be withheld under section 552.130.

Section 552.147 of the Government Code provides "[t]he social security number of a living person is excepted from" required public disclosure under the Act. *Id.* § 552.147(a). The department may withhold the social security number you have marked under section 552.147 of the Government Code.<sup>1</sup>

In summary, the department must withhold the FBI number you have marked in accordance with the previous determination issued to the department in Open Records Letter No. 2012-07334. With the exception of the "SID" and "State ID Number," the department must withhold the information you have marked under section 552.130 of the Government Code. The department may withhold the social security number you have marked under section 552.147 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and
