Dear Ms. Middlebrooks:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 457143 (DPD Request 2012-03974).

The Dallas Police Department (the "department") received a request for information pertaining to a specified shooting incident. You claim some of the requested information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Initially, we note you seek to withhold the telephone number of a 9-1-1 caller from the submitted incident detail report. In Open Records Letter No. 2011-17075 (2011), this office issued a previous determination to the department authorizing it to withhold the originating telephone number of a 9-1-1 caller furnished to the department by a service supplier established in accordance with chapter 772 of the Health and Safety Code under

---

<sup>1</sup>We assume the "representative sample" of information submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code without requesting a decision from this office. *See* Gov't Code § 552.301(a); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code). Provided the originating telephone number of the 9-1-1 caller at issue was furnished to the department by a service supplier established in accordance with chapter 772, the department must withhold the marked telephone number in accordance with the previous determination issued in Open Records Letter No. 2011-17075.

Next, we must address the department's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Section 552.301(b) requires that a governmental body ask for a decision from this office and state which exceptions apply to the requested information by the tenth business day after receiving the request. Gov't Code § 552.301(b). You state the department received the request for information on April 3, 2012. Accordingly, the department's ten-business-day deadline was April 17, 2012. The department did not request a decision from this office until April 18, 2012. *See id.* § 552.308 (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the department failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption the requested information is public and must be released unless the governmental body demonstrates a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Forth Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-81 (Tex. App.—Austin 1990, no writ); Open Records Decision No. 319 (1982). The presumption that information is public under section 552.302 can generally be overcome by demonstrating the information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3 (1994), 325 at 2 (1982). You claim an exception to disclosure under section 552.108 of the Government Code, which is discretionary and may be waived. *See* Gov't Code § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). Therefore, the department may not withhold any of the submitted information under section 552.108. However, you also raise section 552.130 of the Government Code. Because this exception can provide a compelling reason to withhold information, we will address the applicability of section 552.130 to the submitted information.

Section 552.130 of the Government Code excepts from disclosure information that relates to a motor vehicle operator's license or driver's license, title, or registration issued by an

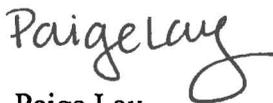

agency of this state or another state or country. Gov't Code § 552.130(a)(1)-(2). Accordingly, the department must withhold the motor vehicle record information you have marked, in addition to the information we have marked in the submitted documents and indicated in the submitted audio and photographs, under section 552.130 of the Government Code.

In summary, provided the originating telephone number of the 9-1-1 caller at issue was furnished to the department by a service supplier established in accordance with chapter 772, the department must withhold the marked telephone number in accordance with the previous determination issued in Open Records Letter No. 2011-17075. The department must withhold the motor vehicle record information you have marked, in addition to the information we have marked in the submitted documents and indicated in the submitted audio and photographs, under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
