

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

July 5, 2012

Ms. Angela M. Deluca  
Assistant City Attorney  
City of Bryan  
P.O. Box 1000  
Bryan, Texas 77805

OR2012-10338

Dear Ms. Deluca:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 462497.

The Bryan Police Department (the "department") received a request for a specified citation. You claim the submitted information is excepted from disclosure under sections 552.103 and 552.108 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information pertains to a pending criminal prosecution. However, the submitted information consists of a citation that was issued to the defendant in the prosecution at issue. You have not explained how releasing this citation, which has already been seen by the defendant, would interfere with the detection, investigation, or prosecution of crime. *See Gov't Code* § 552.108(a)(1). Therefore, the department may not withhold the submitted information under section 552.108(a)(1).

Section 552.103 of the Government Code provides, in relevant part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show that the section 552.103(a) exception applies in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the requested information is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, no pet.); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The governmental body must meet both parts of this test for information to be excepted under section 552.103(a). *See* ORD 551 at 4.

You state the submitted citation pertains to a criminal prosecution that was pending in the City of Bryan's (the "city") municipal court on the date the department received the request for information. We note, however, the department is not a party to the pending criminal litigation, and, therefore, does not have a litigation interest in the matter for purposes of section 552.103. *See* Gov't Code § 552.103(a); Open Records Decision No. 575 at 2 (1990). In such a situation, we require an affirmative representation from the governmental body with the litigation interest that the governmental body wants the information at issue withheld from disclosure under section 552.103. As a representative for the city prosecutor, you object to release of the submitted information. Therefore, based on your representations and our review, we find the submitted information is related to litigation to which the city is a party and that was pending on the date the department received the request. Accordingly, section 552.103 generally applies to the submitted information. As noted above, however, the defendant in the prosecution has seen or had access to the submitted citation. The purpose of section 552.103 is to enable a governmental body to protect its position in litigation by forcing parties seeking information relating to the litigation to obtain such information through discovery procedures. *See* ORD 551 at 4-5 (1990). Thus, once the opposing party in pending litigation has seen or had access to information that is related to the litigation, there is no interest in withholding such information from public disclosure

under section 552.103. See Open Records Decision Nos. 349 (1982), 320 (1982). Accordingly, the submitted citation may not be withheld under section 552.103.

We note a portion of the submitted information is protected by section 552.130 of the Government Code.<sup>1</sup> Section 552.130 excepts from disclosure information that relates to a motor vehicle operator's or driver's license, title, or registration issued by an agency of this state or another state or country. Gov't Code § 552.130(a)(1)-(2). Therefore, the department must withhold the information we have marked under section 552.130. The remaining information must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
