OR2012-10428

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 458720 (ORR# W007073).

The City of San Antonio (the "city") received a request for information pertaining to a specified accident. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.¹ We have also considered comments submitted by the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Initially, we note the submitted information contains a CR-3 accident report form that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that except as provided by subsection (c) or (e), accident reports are privileged and confidential. *See id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any

¹We note the submitted information contains social security numbers of living persons. Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act.

person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute.² *Id.* The requestor has provided the city with two of the three pieces of information pursuant to section 550.065(c)(4). Although you contend the accident report is excepted from disclosure under section 552.108 of the Government Code, a statute governing the release of specific information prevails over the exceptions to disclosure found in the Act. Attorney General Opinion DM-146 at 3 (1992); *see also* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under the Act). Thus, the city must release the report, which we have marked, to the requestor.

The city asserts the remaining information is excepted from disclosure under section 552.108 of the Government Code. Section 552.108(a) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See* Gov’t Code §§ 552.108(a)(1), 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the requested investigation file pertains to a criminal case that is still open. However, the requestor asserts the city’s “Police Department and the detectives working on this case have determined no criminal action will be brought against any party involved in this collision” and, thus, “the exemption claimed by the [c]ity does not apply.” Whether a criminal investigation is pending is a question of fact. This office cannot resolve questions of fact in the open records process, but instead must rely on the representations of the governmental body requesting our opinion. *See generally* Open Records Decision Nos. 554 (1990), 552 (1990). Therefore, based on the city’s representations, we conclude release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. Thus, with the exception of the basic front-page offense and arrest information, the city may withhold the remaining information under section 552.108(a)(1).

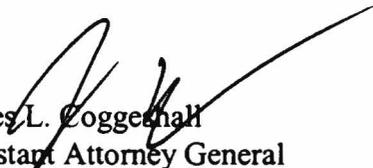

²*See* Transp. Code § 550.0601 (“department” means Texas Department of Transportation).

To conclude, the city must release the accident report we have marked pursuant to section 550.065 of the Transportation Code. With the exception of basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
