

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

July 13, 2012

Mr. Daniel Bradford  
Assistant County Attorney  
County of Travis  
P.O. Box 1748  
Austin, Texas 78767

OR2012-10887

Dear Mr. Bradford:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 462924.

The Travis County Medical Examiner's Office (the "medical examiner's office") received a request for a specified autopsy. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted information. We have also considered comments received from the requestor. See Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how release of the information at issue would interfere with the detection, investigation, or prosecution of crime. See *id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested); see also *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 applies to information held by a "law enforcement agency." However, section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. See Open Records Decision

No. 474 at 4-5 (1987). Thus, where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

You inform us that the Austin Police Department (the "department") objects to disclosure of the submitted information because its release would interfere with an ongoing criminal investigation. Based on your representation and the submitted affidavit, we conclude the medical examiner's office may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the department. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free at (888) 672-6787.

Sincerely,

Misty Haberer Barham  
Assistant Attorney General
