Assistant City Attorney

OR2012-11103

Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 464868 (File# TRau4).

The Corpus Christi Police Department (the "department") received a request for information related to an accident involving two named individuals. You state some of the requested information either has been or will be released, subject to redactions authorized by sections 552.130 and 552.147 of the Government Code, Open Records Decision No. 684 (2009), and previous determinations issued to the department in Open Records Letter Nos. 2011-16393 (2011) and 2011-17207 (2011).¹ You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

¹Section 552.130(c) of the Government Code authorizes a governmental body to redact the information described in subsections 552.130(a)(1) and (a)(3) without the necessity of requesting a decision from this office. See Gov't Code § 552.130(c); see also *id.* § 552.130(d)-(e) (requestor may appeal governmental body's decision to withhold information under section 552.130(c) to attorney general, and governmental body withholding information pursuant to section 552.130(c) must provide notice to requestor). Section 552.147(b) authorizes a governmental body to redact a living person's social security number from public release without requesting a decision. See *id.* § 552.147(b). Open Records Decision No. 684 is a previous determination authorizing all governmental bodies to withhold ten categories of information without the necessity of requesting a decision. Open Records Letter No. 2011-16393 authorizes the department to withhold the originating telephone number and address of a 9-1-1 caller furnished to the department by a service supplier established in accordance with chapter 772 of the Health and Safety Code under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code without requesting a decision. Open Records Letter No. 2011-17207 authorizes the department to withhold an FBI number under section 552.101 in conjunction with section 411.083 of the Government Code without requesting a decision.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information other statutes make confidential. You claim section 552.101 in conjunction with section 724.018 of the Transportation Code, which provides as follows:

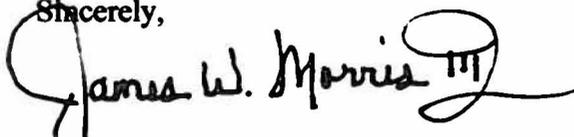

On the request of a person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen shall be made available to the person or the person's attorney.

Transp. Code § 724.018. You contend information acquired from an analysis of a blood sample is confidential under section 724.018. We note statutory confidentiality under section 552.101 requires express language making information confidential or stating information shall not be released to the public. *See* Open Records Decision No. 478 at 2 (1987) (addressing statutory predecessor); *see also* Open Records Decision No. 658 at 4 (1998) (statutory confidentiality provision must be express, and confidentiality requirement will not be implied from statutory structure). No language in section 724.018 makes information encompassed by the statute confidential or prohibits the release of such information to the public. Thus, section 724.018 is not a statutory confidentiality provision. We therefore conclude the department may not withhold any of the submitted information under section 552.101 of the Government Code in conjunction with section 724.018 of the Transportation Code. As the department claims no other exception to disclosure, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
