

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

July 18, 2012

Mr. John Ferguson
Assistant General Counsel
Texas Department of Public Safety
P.O. Box 4087
Austin, Texas 78773-0001

OR2012-11151

Dear Mr. Ferguson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 459263 (PIR# 12-1313).

The Texas Department of Public Safety (the "department") received a request for information pertaining to a specified motor vehicle accident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We first note, and you acknowledge, the department did not comply with its ten-business-day deadline under section 552.301(b) of the Government Code in requesting this decision. *See Gov't Code* § 552.301(b). The submitted information is, therefore, presumed to be subject to required public disclosure and must be released, unless there is a compelling reason to withhold any of the information. *See id.* § 552.302; *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). This statutory presumption can generally be overcome when information is confidential by law or third-party interests are at stake. *See Open Records Decision Nos. 630 at 3 (1994), 325 at 2 (1982)*. The need of a governmental body, other than the agency that is seeking an open records decision, to withhold information under section 552.108 of the Government Code can provide a compelling reason to withhold information from disclosure. *Open Records Decision No. 586 (1991)*. You represent that the Potter County District Attorney's Office (the "district attorney's office") seeks to withhold the submitted information. Based on your

representation, we will consider the claim of the district attorney's office under section 552.108.

Next, we note the submitted information contains a CR-3 accident report that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) of the Transportation Code states that except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *See id.* § 550.065. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *See id.* § 550.065(c)(4). Upon review, we find the requestor has provided the department with at least two of the three requisite pieces of information specified by section 550.065(c)(4). Although the district attorney's office seeks to withhold the submitted information under section 552.108, a statutory right of access generally prevails over the Act's general exceptions to public disclosure. *See* Open Records Decision Nos. 623 at 3 (1994) (exceptions in Act inapplicable to information statutes expressly make public), 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 at 3 (1986) (specific statutory right of access provisions overcome general exception to disclosure under Act). Therefore, the department must release the CR-3 accident report, which we have marked, pursuant to section 550.065(c)(4) of the Transportation Code.

Section 552.108(a)(1) of the Government Code exempts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You represent the district attorney's office has informed you that it objects to the release of the remaining information because doing so would interfere with its pending criminal investigation. Based on your representations and our review, we conclude section 552.108(a)(1) is generally applicable in this instance. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

We note, however, the information at issue includes a DIC-24 statutory warning. The arrestee was provided a copy of this form. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of a crime. *See* Gov't Code § 552.108(a)(1). Accordingly, the DIC-24 form may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic front-page offense and arrest information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of the DIC-24 form and basic information, the department may withhold the remaining information on behalf of the district attorney’s office under section 552.108(a)(1) of the Government Code.

In summary, the department must release the CR-3 accident report, which we have marked, pursuant to section 550.065(c)(4) of the Transportation Code. With the exception of the DIC-24 form and basic information, the department may withhold the remaining information on behalf of the district attorney’s office under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
