Dear Mr. Safi:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 459881.

The El Paso Independent School District (the "district"), which you represent, received a request for thirty-six categories of information pertaining to specified calendar entries, phone records, audits, time cards, meetings, disciplinary action involving the requestor's client, employees placed on administrative leave or reassigned, the student population at ten specified schools, billing information and invoices relating to two named contractors and other contractors involved in addressing investigations by external agencies, specified e-mails, specified open records requests by the El Paso Times, a specified press conference, specified usage of the school messenger and the district website, and how a report to the district Ethics and Compliance Hotline is handled. You state the district will release some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.111 and 552.116 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Section 552.116 of the Government Code provides the following:

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from the requirements of Section 552.021. If information in an audit working paper is also maintained in another record, that other record is not excepted from the requirements of Section 552.021 by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

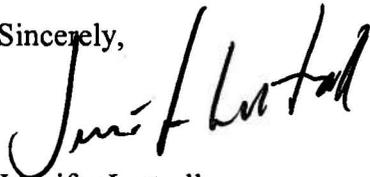

Gov't Code § 552.116. You state the submitted information consists of audit working papers that were prepared or maintained by the district in conducting an audit. You further explain the audit at issue was conducted by the district's internal auditor as authorized by section 11.170 of the Education Code and the district's board of trustees. *See* Educ. Code § 11.170 (providing district's board of trustees may select an internal auditor who reports directly to the board). You inform us annual audit plans were submitted to and approved by the district's Board of Trustees and the audits at issue were included within the approved annual audit plans. Based on your representations and our review, we agree the submitted information consists of audit working papers for purposes of section 552.116. Accordingly,

the district may withhold the submitted information under section 552.116 of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
