

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

July 31, 2012

Mr. W. Montgomery Meitler
Assistant Counsel
Texas Education Agency
1701 North Congress Avenue
Austin, Texas 78701

OR2012-11929

Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 460457 (TEA PIR #17608).

The Texas Education Agency (the "agency") received a request for the working papers prepared during an investigation of a specified charter school district. You state the agency has redacted information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.¹ You claim that the submitted information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.² We have also received and considered comments

¹The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office that FERPA does not permit state and local educational authorities to disclose to this office, without parental consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined that FERPA determinations must be made by the educational authority in possession of the education records. We have posted a copy of the letter from the DOE to this office on the Attorney General's website: <http://www.oag.state.tx.us/open/20060725usdoe.pdf>.

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

submitted by an attorney for the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Section 552.116 of the Government Code provides as follows:

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) 'Audit' means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) 'Audit working paper' includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

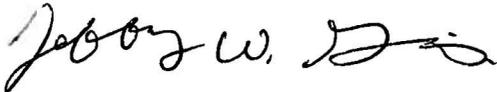

Gov't Code § 552.116(a), (b)(1)-(2). You state the submitted information consists of audit working papers that were prepared or are maintained by the agency's Divisions of Financial Audits and Program Monitoring and Interventions in conjunction with an audit of the Burnham Woods Charter School District. You inform us the audit was conducted under the authority granted to the agency by section 7.021(b)(1) of the Education Code, subsections 7.028(a)(1) and (a)(2) of the Education Code, section 76.770 of title 34 of the Code of Federal Regulations and subpart D of Office of Management and Budget Circular A-133. *See* Educ. Code §§ 7.021(b)(1) (agency shall administer and monitor

compliance with education programs), .028 (a)(1), (a)(2) (agency may monitor program to ensure compliance with federal law and grant requirements); 34 C.F.R. § 76.770 (state shall perform state determined procedures and evaluations to ensure subgrantee compliance with statutes and regulations). Based on your representations and our review of the information at issue, we agree section 552.116 is applicable in this instance. We therefore conclude the agency may withhold the requested information pursuant to section 552.116.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
