Mr. B. Chase Griffith

OR2012-12467

Dear Mr. Griffith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 461345 (ORR#10-5474).

The City of McKinney (the "city"), which you represent, received a request for the arrest warrant and probable cause affidavit for a specified case. You claim that the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 261.201(a) of the Family Code, which provides in pertinent part as follows:

(a) Except as provided by Section 261.203, the following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

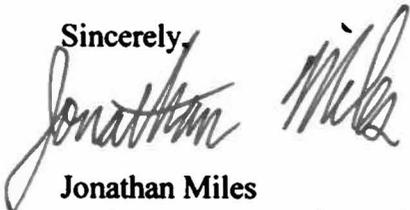

Id. § 261.201(a). You state the submitted information is confidential under section 261.201. *See id.* § 261.001(1), (4) (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code). However, upon review, we find you have not explained how the submitted information was used or developed in an investigation under chapter 261 of the Family Code. Therefore, we conclude section 261.201 is not applicable to the information at issue. Thus, the city may not withhold this information under section 552.101 on that basis.

Section 552.130 of the Government Code excepts from disclosure information that relates to a motor vehicle operator’s or driver’s license, title, or registration issued by an agency of this state or another state or country.¹ Gov’t Code § 552.130(a)(1). We note the submitted information contains driver’s license and license plate numbers. The city must withhold the driver’s license and license plate numbers we have marked under section 552.130. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
